We look forward to continued engagement with the investment community and to participate in ongoing profile-building opportunities such as these upcoming events. For further information about Crew Energy and our upcoming events, please visit our website at www.crewenergy.com.

About Crew Energy Inc.

Crew is a growth-oriented natural gas weighted producer, committed to pursuing sustainable per share growth through a balanced mix of financially and socially responsible exploration and development. The Company's operations are primarily focused in the vast Montney resource, situated in northeast British Columbia, and include a large contiguous land base. Greater Septimus along with Groundbirch and the light oil area at Tower in British Columbia offer significant development potential over the long-term. The Company has access to diversified markets with operated infrastructure and access to multiple pipeline egress options. Crew's common shares are listed for trading on the Toronto Stock Exchange ("TSX") under the symbol "CR".
